

WFLANA Meeting Minute Notes 11.5.17  
[houwj47@yahoo.com](mailto:houwj47@yahoo.com)

Homegroups present-  
Basic Text Study

\$100 in total area donations.

Area position lengths of clean time requirements-  
5 years requirements for treasurer, area chair  
4 years requirement for vice chair  
2 year for sub-committee chairs  
6 month for secretary

John H. volunteered to call World Services for an area startup literature donation.

Todd J. is working on the meeting lists, as of right now we have 10 meetings on the list.

Helpline \$30 per month cost to the area. FreedomVoice

Website service is [godaddy.com](http://godaddy.com), to save money instead of paying \$100 for one year we paid \$148 for 3 years. It was funded by members donations. [www.wlfana.com](http://www.wlfana.com)

Treasury duties were passed to John H. instead of Dan S. because he might have to have neck surgery in the coming months and was worried about being able to fulfill his duties. Our current balance is \$70 after receiving \$100 in donations and spending \$30 towards the phone line.

William G on H&I servicing ACC and Maxwell possibly, and VA. William's home Group has not voted on joining the new area and he was concerned if serving on H&I with the new area would cause any conflicts. He also voiced he did not want to leave his home group, area chair assured him any service he can provide is much appreciated and we consider it service from another member of NA and his home group is not relevant to him serving or not. Skip has started dialogue with the VA and is exploring possibly bringing in a presentation a few times week and even changing the Sunday night meeting to an H&I presentation. Chris J is still to going to the Bath VA but it's being split between WFLANA & FLANA and there are some conflicts going on between another member who feels it is an adversarial situation of the new area vs. the original area.

Monday Night Geneva has 3 homegroup members and typically 3 more outside people with several of them being from Maxwell. The home group is struggling right now with funding literature orders and paying expenses. The format is basic text, living clean, IP, then speaker. Last few months there has not been speakers and there has been open discussions because there is no speaker seeker. Looking for more support in the meeting, one member suggested putting an announcement section on the website asking for support.

John G. & Hector D. Have not created a date yet for the event and at this point are shooting for January.

Next Area meeting Tuesday Dec. 5th.

PR will create a FB page for WFLANA.
