

WFLANA Meeting Minutes Jan. 9th, 2018.

Old business- John contacted NAWS about donating a starter pack of literature to WFLANA. The home groups must be registered with NAWS which they are. A draft was made to NAWS by Chris because John was sick the month of December. Todd suggested swapping out the "Introduction to NA" from the literature starter pack request draft to white books which are cheaper and cover more ground. One day event- just have a bucket donation and charge for the food.

A cover letter is needed. Todd is going to work with John to create the cover letter to NAWS to send along with the request letter outlining the various items we are requesting.

Event will go mid to late February or early March, putting in the sweat equity to order the name tags, holders, etc. Hector asked the group for \$10 per person to fund the event. And also bring a dish to pass as well. Discussion was on where the event would be, \$100 event fee Park Presbyterian Church in Newark. Saturday potential dates. Feb 17th or 24th for the event. Mike will reach out to Park Presbyterian Church.

1st or 3rd Wednesday at Clifton W3 will be shared by Rianne and Anna G.

John treasury- Old balance of \$70, income of \$100 less phone line and meeting lists and we have \$96 in the treasury.

Will be looking at having next area in Hornell on Tuesday

One member suggested we reach out proactively to FLANA and let them know our intention is not to compete or compare against their area. Nor is it a snub against any particular person.
